Good Afternoon,

For the period 01/01/2013 through 03/08/2016, please provide me with copies of all contracts, agreements, purchase orders, pay records and all expenses and reimbursements regarding Marta Segura or her company, GOLD aka Grassroots Organizational & Leadership Development, aka Grassroots Organizational Leadership Development, aka Marta A Segura.

Please also provide copies of any reports provided by Ms. Segura to the Bureau of Sanitation.

Also, please provide copies of all written correspondence, including emails between Ms. Segura and the Bureau and any of its employees.

Electronic copies work best for me, but i can always come by and pick them up if that would be easier.

Please let me know and feel free to respond with any questions you may have concerning this request pursuant to the California Public Records Act.

Regards,

David Johnston
